Commercial/Retail Photography Service Estimates

(Note: the charges listed below may differ on case by case basis based on your shoot length or complexity of setting. Not all situations may be listed below, so please feel free to contact us with your need or idea and we'll work up an accurate estimate for you!)

Single Visit, One Location, 1-5 Products

Client desires quality photos be taken for website or other promotional use, with the amount of products being photographed being five or less. One shot of each product will be carefully developed and digitally released to the client to be used for whatever purpose and at any time in the future.

... \$35.00

More than 5 Items and/or Multiple Locations or Visits:

... \$45.00 plus \$20/hour invested after first hour

Storefront Photos

Client desires quality photos be taken of their building, storefront or office location. The picture(s) will be carefully developed and digitally released to the client to be used for whatever purpose and at any time in the future.

... + \$10.00 when added to Single Visit, One Location 1-5 Products

... + \$10.00/location when added to Multiple Products/Locations or Visits (hourly charge applies)

... \$35.00 when Storefront Only (Multiple Locations: \$25/ additional location)

Owner or Staff Photos

Client desires quality photos be taken of themselves or their staff. The picture(s) will be carefully developed and digitally released to the client to be used for whatever purpose and at any time in the future.

... Contact us for free quote! (Discounts when combined with Storefront Photos or Product Photos!)

The Works

If you have a large scale project in mind to represent your business, or you are interested in photo work being done for you on a regular basis, contact us and share your vision. We will work together with you to find an affordable solution!
